

Dear Fellow Advocate,

I am reaching out to you at this pivotal time to present this detailed request for your support of the **Earthstock Eco-Spiritual Summit**. The summit is happening August 19-25, 2024, in Crestone, Colorado. There are also over a dozen simultaneous satellite events scheduled to run around the globe (and these events continue to multiply!). This document will offer you further information about the **event, various ways to support it, and the current projects that directly benefit from the summit.**

We are all in need of positive change in the world today. Your support will directly help **elevate the potential** of this historic event and its important mission. That **mission is to inspire co-creation and to further existing legacy projects** that will benefit humanity today and more than 7 Generations into the future. The current issues in our world are moving us toward a zeitgeist of regenerative change; a way of life that is more collaborative and sustainable. This growing global renaissance has inspired a wellspring of interest and participation in the **Earthstock Summit**. This participation transcends borders, unites cultures, and spans generations. **To reach its highest potential we need your support.**

WHAT IS THE EARTHSTOCK SUMMIT?

Earthstock Summit gathers indigenous, religious, spiritual, and global **leaders; sustainability experts; educators** of regenerative design; and cutting-edge **technological innovators** together, with the mission to **forge strategic alliances**. The event includes musicians, artists, and healers to cultivate an inspiring and health-conscious environment throughout the summit. The important work done at the summit will **create effective partnerships** and **be a catalyst for a more unified and sustainable world.**

These **seven days** offer a dynamic environment and opportunity for education, participation, and celebration. Attendees and presenters alike will engage in lectures, workshops, film presentations, performances, ceremonies, and immersion into the breathtaking outdoor experience that is [Crestone, Colorado](#).

The two main indoor locations are [The Blazing Mountain Retreat & Conference Center](#) and [Colorado College](#) campus. We will also be visiting several of the spiritual centers in the area, including the [Haidakhandi Universal Ashram](#), the [Ziggurat](#), various Buddhist Stupas, [Great Sand Dunes National Park](#), the [Hot Springs](#), and more.

WHAT IS THE LONG-TERM BENEFIT OF EARTHSTOCK SUMMIT?

EARTHSTOCK GLOBAL is our public-facing platform uniting the Foundation and the Enterprises. Earthstock Global's purpose is to articulate the various projects and events.

EARTHSTOCK FOUNDATION is an **official nonprofit** whose mission is to **promote and create innovative programs and projects to help enhance self-sustainability, community resilience, and regenerative solutions.**

EARTHSTOCK ENTERPRISES is committed to **actualizing projects and events** related to **the sustainability and resilience of our food, water, health, and youth**. EE accomplishes these goals by partnering with decision-makers throughout various organizations, including indigenous communities, and youth groups.

HOW WILL EARTHSTOCK REACH THE MASSES?

The main summit content will be **broadcast globally every day from 1 pm - 6 pm MDT** on several platforms. International satellite events will also be **broadcast daily from 9 am - 1 pm and 6 pm - 8 pm MDT** on the same platforms as the main event. This will generate **11 hours of continual daily content**, weaving the various presenters together into a tapestry we can share with our global audience.
