Earthstock Summit for Regenerative Solutions - August 19-25, 2024
Crestone Colorado & Global Broadcast

An EcoSpiritual event featuring a week of hands-on education, workshops, music, arts, ceremony, community round-tables, online broadcasts, and personal interaction.

Earthstock Global Foundation (www.EarthstockGlobal.net) announces the upcoming global summit for full-spectrum solutions in the areas of spirituality, arts, health, agriculture, ecology, technology, self-sustainability, economics, media, and more.

This event offers a showcase of the projects, platforms, and strategic alliances that exist and is being established through an emerging network called "Regeneration Global". This network consists of curriculums, consultants, contractors, and land-based projects.

"We are inspired and honored to share decades of work, bringing together innovators, solutionaries, and visionaries to address the most pressing issues of our time," says Michael DiMartino, Director / Founder at Earthstock Global.

This news comes in the wake of many recent initiatives and accomplishments of the Foundation including:

- Regenerative Media Educational Platform
- Build Back Green Initiative
- Transition to Sustainability Project
